

Associated Neurology Medical Group, Inc.

Randall R. Starkey, M.D.

D. Eric Collins, M.D.

P. Suzanne Maska, M.D.

December 12, 2017

Dear Valued Patient,

We are sorry to announce that due to economic forces beyond our control, Associated Neurology Medical Group will be closing permanently as of February 19, 2018. On February 20, 2018, we will be joining Sutter East Bay Medical Group (SEBMG), a multi-specialty physicians group, affiliated with Sutter East Bay Medical Foundation (SEBMF). SEBMF will operate the business aspects of our medical practice, allowing us to devote 100% of our time to patient care. Our new locations will be at 2850 Telegraph Ave., Suite 110, Berkeley, CA 94705 and 20101 Lake Chabot Rd, Castro Valley, CA 94546.

It has been our privilege to be your physician and we hope to maintain this relationship.

We anticipate that most of the current plans insuring you today will be accepted by SEBMF and have enclosed a list of contracted HMO plans for your information. If you are a PPO patient, we do not anticipate that you will need to make changes to your insurance plan. For insurance questions, please feel free to call SEBMF's insurance line at **510-204-6707** to verify whether your current insurance is accepted.

If after January 2 you would like to schedule an appointment for one of our new locations (starting February 22), please call **510-204-8140**.

Your existing medical records will remain in our possession for 7 years. Should you require copies of your medical records, you may request them by sending a signed written request for these records to 365 Hawthorne Avenue, #203, Oakland, CA 94609 or by faxing your request to 510-834-0463. There will be a charge for this service.

Please do not hesitate to call our office for any help or questions you may have or refer to our website at www.associatedneuromed.com for additional details.

Sincerely,

Randall R. Starkey, MD

D. Eric Collins, MD
